

"I wanted to go to medical school. But, I never got a college scholarship."

Edwin Moses

The Moore High School Class of 1981 Alumni Association is being created to provide funds to deserving Moore High School students to help make up the difference between the cost of college and what the students and their families can afford. Deserving young people in our hometown are being denied education beyond high school because of their inability to finance the entire cost. The goal of the Association is to help Moore High School youth pursue his or her dream of an education. This is to be accomplished by raising money through donations and fundraisers to build an endowment fund and award yearly scholarships based on applications reviewed by the scholarship committee.

Let us help you help our future Alumni's on their path to success.
